

ARTICULATION GUIDE BETWEEN ATI AND COLUMBUS CAMPUS
 RECOMMENDED COURSE PLAN FOR AGRIBUSINESS AND APPLIED ECONOMICS

This model plan of study is presented as a suggested plan to start the Agribusiness and Applied Economics Degree at the Agricultural Technical Institute and completing a B.S. degree in Agribusiness and Applied Economics on the Columbus campus in 4 years.

This is a plan for the well prepared student who does not need remedial courses. Remediation will extend the student's educational program and will cause deviation from the plan. It is important for the students to consider the flow of courses with regard to prerequisites, particularly major courses.

Freshman Year: Wooster Campus			
Autumn	Winter	Spring	Summer
Ag 100: Orientation (1)	Rural Soc 105 (5)	Ag Comm 390 (4)	Optional Time
