

Adjunct Faculty

Definition: Faculty members, who have comparable credentials to regular faculty of equivalent rank and provide significant, uncompensated service to the instructional and/or research programs of the university (Significant service would include teaching one or more courses, advising graduate students or serving on graduate committees, and serving as a co-investigator on a research project. Persons holding this title are not eligible for tenure, may not vote at any level of governance, and may not participate in promotion and tenure matters.

Appointment: Appointments are made for the period in which the uncompensated service is provided, **not to exceed one year**. Renewal is contingent upon continued significant contribution. These appointments no longer require approval from OAA. Approval is required from the Department Chair and the Dean.

Initial appointment requires CV and letter of request from Chair and approval of Dean before entry into HRIS. A letter of request must be submitted by department/unit Chair each year the appointment is to be continued.
